CONFLICT OF INTEREST

Wipro Limited has adopted a conflict of interest policy in respect of its employees. This policy is intended to avoid conflict between the personal interest of an employee and the interest of the company in dealing with the suppliers, customers and all other organizations or individuals doing or seeking to do business with Wipro.

Noted below are a few examples of 'conflict of interest':

1. For an employee or any dependent member of his family to have an interest in any organization, which has business dealings with the company, where there is an opportunity for preferential treatment to be given or received, except where such an interest comprises securities in widely held corporations which are quoted and sold on open market or the interest is not material.
2. For an employee or any dependent member of his family to buy, sell or lease any kind of property, facilities or equipment from or to the company or any affiliate or to any company, firm or individual who is or is seeking to become the contractor, supplier or customer, except with the knowledge and consent of top management.
3. For an employee to serve as an officer, director or in any other management capacity or as consultant of another company or organization doing or seeking to do business with the company or an affiliate except with the knowledge and consent of top management.
4. For an employee to use or release to a third party any data on decisions, plans, competitive bids or any other information concerning the company, which might be prejudicial to the interest of the company.
5. For an employee or any dependent member of his family to accept commission, a share in profits or other payments, loans (other than with established banking or financial institutions), services, excessive entertainment and travel or gifts of more than nominal value from any individual or organization, doing or seeking to do business with the company.

I have read and understood the above mentioned 'Conflict of Interest' policy and I declare that there is no 'Conflict of Interest' in my employment. If in future any conflict arises, I will inform top management.
